RE: Docket No. 2005-284-C (*HTC Request to Make Changes to Directory Format*)

Dear Mr. Terreni:

On September 12, 2005, Horry Telephone Cooperative, Inc. (HTC) submitted a letter to the South Carolina Public Service Commission requesting permission to make changes to its Directory format. Specifically, HTC proposed to reduce the font size in the white pages of the Directory allowing the addition of a fourth column of listings. Doing so would help to advance HTC's efforts at keeping the Directory at a manageable size and weight. The earlier HTC letter failed to include the specifics of the changes in the font size. The proposed change would reduce the font size from 9.5 points to 7 points with no change in the font style.

Thank you for considering our request, and please call us if you have any questions regarding our proposed changes.

With kind regards,

Curley P. Huggins
Chief Executive Officer
